

## Press Release

Date: May 21, 2005

Subject: Lloyds of London Insurance Increase

Worksmart, Inc. is honored to announce that our professional liability insurance carried by [Lloyds of London](#) since 2000 has agreed to increase the coverage level to \$1,000,000.00.

Professional Liability insurance also known as “errors & omissions” is a difficult coverage for most companies to acquire. Only recognized professional institutions are granted such coverage particularly under written by such a prestigious company as Lloyds of London. Lloyds has been in business since 1688 and is unequalled in recognition and history.

Worksmart, Inc. thanks Lloyds for there continued trust and support in our ability to serve our customers.
